## Curriculum Overview

The “IT Leadership Accelerator” combines our industry-leading ITMLP, ITMLE, ITMLS, and ITITC class into a single comprehensive IT management program.

This program includes:

- 1 thirty-minute 1-on-1 career coaching session
- 37 IT management-related topics
- 6 instructor-led days of instruction
- 20 one-hour group coaching sessions
- 14+ hours of IT Management-based instructional videos
- 2 years access to our “It Leadership Growth Library”
- 80 Professional Development Units (PDUs)
- 2 IT leadership certifications (ITMLP and ITMLE)
- 1 ITMLS Certificate of Completion
- 1 ITITC Certificate of Completion
- 4 digital badges (ITMLP, ITMLE, ITMLS, and ITITC)

### Comprehensive “Business of IT” related topics!

The topics discussed in this program include internal client service, IT megatrends, vendor management, IT methodologies, cybersecurity, strategic planning and thinking, IT/data governance, fostering innovation, IT’s role in AI, cost center management, executive presence, giving presentations, storytelling, and more!

(PDUs, certifications, and college transfer credits have specific requirements. Please contact us eligibility rules and conditions)

## Certification Exam Process

Each exam consists of multiple-choice and situational short-answer questions. Typically, the exam takes 3-4 hours to complete, is open-book, open-notes, and can be completed all at once, or in multiple sessions at your convenience. The exam is included in the class fee, at no extra cost!

Workshop cost includes the exam and one-year access to our IT Leadership Growth Library!
